

Fuller Graduate Online Audit Contract

Catalog Number _____ Course Title: _____

CRN _____ Quarter/Year _____

Auditing online classes is a privilege extended only to Fuller graduates (whose degrees have been cleared and posted). Since online classes are highly interactive classes that include discussions on the readings and lectures, online students learn not only from the instructor, but also from each other. Given this format, auditors of online classes are required to interact fully with the class so that everyone in the class can receive the maximum benefit.

Auditing an online class is subject to availability (limit 2 auditors per class, within the overall limit of 25 students), on a first-come, first-served basis, and contingent on the agreement of the professor to accept auditors. In order to register as an auditor, please complete and sign this Online Audit Contract and return it, along with your audit request form and payment (if applicable), to the Registrar's Office **beginning Monday of the second week of the quarter**. Audit Requests will not be accepted before this time. The forms may be delivered in person, sent by mail, faxed, or scanned and emailed as an attachment.

By signing this, I agree to complete all required readings, to participate in all class discussions, and to submit all weekly assignments, and the final. If I fail to do so, I understand that I may be dropped from the class without any refund. I understand that I will not have access to the online class until the second week, when it can be determined if there is room for me in the class.
