

### *Doctor of Missiology Preparatory Status*

The DMiss Preparatory Status enables applicants who hold a master's degree but do not meet the prerequisite graduate-level coursework requirements for direct DMiss admission to apply and have their application reviewed. The Admissions Committee will make recommendations on any outstanding prerequisites in missiology and/or theology, which the applicant is welcome to take at Fuller or any other accredited institution. Under this status, applicants are afforded the knowledge of future acceptance to a DMiss cohort once any prerequisite master's-level coursework has been successfully completed [with a grade point average of 3.4+]. Once this is confirmed, the student's status is changed to a regular admission and the student may begin the program with an upcoming cohort.
