

TheoPsych Seminar Schedule

This non-traditional seminar will be highly interactive. Each seminar will focus on three speakers allowing you to develop relationships and explore a depth of topics. Speakers will present a series of micro-lectures followed by Q&A and panel discussions with Barrett and Crisp. The speakers will also conduct an in-depth and interactive ½ day seminar. Additional processing will take place in small groups, pairs, and group outings. Time will also be provided to read/write on your own.
