2018 SOP Doctoral Sequence of Courses

This schedule of courses provides the recommended sequence for the PsyD degree program in the SOP for cohorts entering in 2018. Every effort has been made to ensure that the information is accurate and reflects current course offerings. However, this sheet is expressly not intended to substitute for the Student Handbook nor the student's own course record and requirement sheet, and individual modifications are likely to be necessary in some instances. In addition, theology requirements vary depending upon theology degree option. Students should consult with the Director of Academic Affairs for both psychology and theology requirements.

Please note: The courses listed in the Summer quarters are suggestions and not requirements.
