

The following is a chart of potential classes that can fulfill the three respective concentrations.

Important Notes:

- 1) All lists reflected are subject to change (to either be added or taken away from)
- 2) Courses offerings and seat availability are not guaranteed
- 3) Students are to take 16-24 units from this list in order to fulfill the respective Concentration (that is 4-6 courses). For the Biblical Studies Concentration students must take at least 16-units **in addition to** the Bible and Language MDiv requirements. [See Academic Catalog.](#)

Students in Concentrations are welcome to participate in co-curricular groups led by the Faculty Lead. For more information please contact [Faculty Lead or Advisor?].
